 The Sunnyside Church weekend

 High Leigh, Hoddesdon
 16 – 18 November 2018

sunnysidechurch

It has been a real joy for me to join Sunnyside and I am extremely excited by what God is doing in our midst. I believe that God is beginning to do a new thing amongst us and is preparing us for the next season in our life as a church family. Our weekend away is an opportunity for us to celebrate what God is doing and explore who God is calling us to be at this time both as a church family and as individuals. Whilst we are away, there will be time for fun and fellowship; for worship and exploration; for prayer and reflection; for rest and refreshment. I really do hope that you will join us for what promises to be a special and important time in our church life.

With love and prayers

Rebecca
