

Cards of Christmas Hope

Buy or make a card

Fill it with a message of hope for someone who may be on their own this Christmas. When writing please consider your card could be received by an adult of any gender or age. Please do not include any personal details i.e. telephone numbers or addresses

Add an optional personal touch

If you wish to, select an item to share perhaps a photograph you have taken, a picture you have drawn or painted, a card with a poem or some positive words, an ornament or trinket or anything else. It must be unbreakable and suitable to fit through a letterbox. You could write in the card or on a separate note why in particular you have sent it.

Deliver it to us

Put the card and its blank envelope (separate and unsealed) into a bigger envelope along with any item you've chosen to share. Pop it into a collection box:

We'd love for you to post a picture and explanation of the item you are sharing to help inspire others!

**The deadline for receiving your cards is
Saturday 3rd December**

Safety first

- Ensure you wash your hands thoroughly before handling any item you are sending
- If you have coronavirus symptoms or have been around others who have please do not participate in this project
